PROFILE

Marine veteran, full-stack web developer accustomed to high-pace working and education environments. Highly experienced with customer interface and project implementation. Seeking employment as a full-stack developer with opportunities for professional growth. Proficient in HTML, CSS, Javascript, JQuery, Bootstrap, SQL, MongoDB, and React.

EXPERIENCE

UR Coding Boot Camp, Feb 2020-Pres.

- Projects:
  - Employee Directory: Successfully created a React app that allows the user to filter by department or role, sort by name, department, role, or email, or search by name.
    - Repository: https://github.com/dmabell693/react-employee-directory
    - Deployed App: https://dmabell693.github.io/react-employee-directory/
  - HikeHire: Successfully implemented SQL, Sequelize, Node.js, Express, and JavaScript to dynamically manipulate data from third-party APIs and perform crud operations on the app's SQL database for the development of a fully-functional full-stack app.
    - Repository: https://github.com/dmabell693/HikeHire
    - Deployed App: https://shrouded-anchorage-20263.herokuapp.com/
  - Trales And Ales: Successfully implemented AJAX calls to multiple third-party APIs to integrate complex data with a simple UI.
    - Repository: https://github.com/dmabell693/Trales-and-Ales
    - Deployed App: https://dmabell693.github.io/Trales-and-Ales/

Fence Construction, Gibson Fence; Richmond VA   2017-Pres.

- Communicate with customers on each job to understand product expectations.
- Complete projects by the customer's deadline.

Assistant to the Pastor, GraceWay Bible Church; Hamilton, NJ   2016-2017

- Assisted in the direction of centerpiece Christmas production with $65,000 operating budget, overseeing the handling of audio and visual equipment to include timely setup, operation, and breakdown of sets, and ensuring guest hospitality and satisfaction.
- Coordinated, oversaw, and supervised all volunteer programs and community events as well as day-to-day operations of facilities and staff.

Sergeant, United States Marine Corps   2009-2013

- As Non-Commissioned Officer-in-Charge of the Combined Joint Movement Control Center in support of Operation Enduring Freedom, Mar '11 - Mar '12:
    - Utilized state-of-the-art technology to assess, support, and fulfill logistical needs.
    - Coordinated with international coalition members to monitor troop movement.
    - Supervised junior Marines and reported directly to senior staff.
    - Awarded the Naval Achievement Medal.
